

Say Yes

Elliott Smith

I'm in love with the world through the eyes of a girl
Who's still around the morning after
We broke up a month ago and I grew up, I didn't know
I'd be around the morning after
It's always been wait and see, a happy day and then you pay
And feel like shit the morning after
But now I feel changed around and instead falling down
I'm standing up the morning after
Situations get fucked up
And turned around sooner or later

And I could be another fool or an exception to the rule
You tell me the morning after
Crooked spin can't come to rest, I'm damaged bad at best
She'll decide what she wants
I'll probably be the last to know, no one says until it shows
See how it is, they want you or they don't, say yes
I'm in love with the world through the eyes of a girl
Who's still around the morning after
