The Fellowship

Cellmod

Get on board, this train ain't going to stop
Where I'm going, I don't know
You know, you know, you know
Wheels on fire, wings of decent desire
Punch your ticket, it's time to go
There's a force up around the bend
That drives this engine
Are you with us or against us?
Are you with us or against us tonight? It's alright
There's a matter of reckon in this fight, it's alright
Are you with us tonight?
It's alright, it's alright, it's alright
Are you with us tonight?
Soon we'll fly but on this eve we ride
A steel horse, tied to dirt, no words, no words, no words
No words will suffice against the sacrifice
For what is love, if not cause?
By misdeeds we'll scurry home
Dust in breath and bone
Are you with us or against us?
Are you with us or against us?
Are you with us? Are you with us?
Are you with us or against us tonight?
It's a matter of us or them
This fight, it's alright
Are you with us tonight?
It's alright, it's alright, it's alright
Are you with us? Are you with us?
Are you with us or against us tonight?
Are you with us or against us?
Are you with us or against us tonight?
