

# Boom Boom (Digital LAB Remix)

## Rye Rye

I got my eyes on the plaza  
And I'm ready to cash it in  
With you wanna be my  
I'm looking for a naughty plan  
They don't mind me party  
And he's so hot, so  
no party game  
And you can meet me in my bedroom, baby  
As long as you know how to a girl crazy  
And you'll be dono, I'll be daisy  
can't be lazy!  
And when I feel that heat is on  
We're freaking all night long  
And when all strong inside Boom boom boom boom  
I want you in my room  
Let's spend the night together  
Boom boom boom boom  
I want you in my room  
Let's make this last forever  
Just me and you together  
Boom boom boom boom  
Boom boom boom boom  
Boom boom boom boom Cause I get, I get, I get tingles when I see that boy  
So hot he can be my toy  
And we won't get we play all night to the early morning  
All the little things just turn me on  
we will watch some porn  
Or we can lay on a saying watch the sky  
Late hours, candle light, that's the way you like it, right  
A little bit of shiver, a little bit of slice  
That's the shit that pleasure comes  
We ain't saint on and on  
Make it last, and I wanna be your bonnie and clyde Boom boom boom boom  
I want you in my room  
Let's spend the night together  
Boom boom boom boom  
I want you in my room  
Let's make this last forever  
Just me and you together

Boom boom boom boom  
Boom boom boom boom  
Boom boom boom boom Come and squeeze me, come and kiss me, kiss me, kiss me  
Come and squeeze me, come and kiss me, kiss me, kiss me  
Come and squeeze me, come and kiss me, put your hand upon my cheek  
Hold me tight, and don't let go, your loving got me turning weak  
You blow my head, you're so sweet, taking all my energy  
And I wanna boom boom boom  
And I wanna boom boom boom  
Like a video game ps 3  
Come on, that's plug and play  
Every girl who gives a fuck what they say?  
Give it to me baby like uh, uh  
Everybody talking  
Boom boom boom, bitch, bla, bla, bla Boom boom boom boom  
I want you in my room  
Let's spend the night together  
Boom boom boom boom  
I want you in my room  
Let's make this last forever  
Just me and you together  
Boom boom boom boom  
Boom boom boom boom  
Boom boom boom boom
