

20/20

Survivor

You dress so formal like you don't even know
Whatcha got underneath it
Your straight-laced morals are just for show
'Cause I know thatcha need it
I got you in my sites
Ya know I'm gonna give ya my best shot tonight
'Cause I can see 20/20
You just can't disguise
Oooh, the fire in your eyes 20/20
There's no way to hide
From my sweet love tonight So educated that you think you're above
My street wise emotion
So old fashioned when it comes to love
You talk of devotion
I don't wanna change your life
What I really want is your love for the night 'Cause I can see 20/20
You just can't disguise
Oooh, the fire in your eyes 20/20
There's no way to hide
From my sweet love tonight Oooh, you know I can see you
I'm seem' right through you
Oh you know that I want you
I want you tonight
