

There Goes God

Crowded House

What'll I tell him
When he comes to me for absolution
Wouldn't you know it
Hope I don't make a bad decision 'Cause I'd like to believe
That there is a God
Why sinful angels suffer for love
I'd like to believe
In the terrible truth, in the beautiful lie Like to know you
But in this town I can't get arrested
If you know me
Why don't you tell me what I'm thinking Hey don't look now
But there goes God
In his sexy pants and his sausage dog
And he can't stand Beelzebub
'Cause he looks so good in black, in black Hey don't look now
But there goes God
In his sexy pants and his sausage dog
And he can't stand Beelzebub
'Cause he looks so good in black, in black, in black There goes God
There goes God
There goes God
There goes God
There goes God There is a God
There goes God
There goes God
There goes God
There goes God
