

# Something About Us

## Daft Punk

It might not be the right time  
I might not be the right one  
But there's something about us, I want to say  
'Cause there's something between us anyway  
I might not be the right one  
It might not be the right time  
But there's something about us I've got to do

Some kind of secret I will share with you  
I need you more than anything in my life  
I want you more than anything in my life  
I'll miss you more than anyone in my life  
I love you more than anyone in my life
