Stay With Me

Eighth Wonder

Try not to think about you
In the pouring rain
I can call your name
I know you won't hear cause you're far away
Try not to miss a heartbeat in the setting sun
I can dream of you
There's no more to do
Try not to think of you
I won't be here forever
You know its now or never

Stay with me
I'm asking on a bended knee
I can't cry for your loving anymore
I wanna come back for more
Stay with me
I'm asking on a bended knee
I can't cry for your loving any more

Ken Tucker are you busy?
Are you on your own?
Or with company
With somebody new
Does she know of me?

Have you found another lover?
Is there someone else lying next to you?
She's older than me
Much better company
I won't be here forever
You know it's now or never

Stay with me
I'm asking on a bended knee
I can't cry for your loving anymore
I wanna come back for more
Stay with me
I'm asking on a bended knee
I can't cry for your loving any more

I know, ohh

Stay with me
I'm asking on a bended knee
I can't cry for your loving anymore
I wanna come back for more and more
Stay with me
I'm asking on a bended knee
I can't cry for your loving any more

Stay with me
Stay with me
Stay with me
Stay with me
Stay!
