

# Take Me to a Higher Plane

[Kate Nash](#)

I feel worried that my brain is just a fool in your sick game  
So I will never open my heart  
I try to express how I feel  
But it changes every day and so I'm finding it hard  
Let's take life nice and easy  
We could go somewhere breezy  
But it gets so complicated  
Everyone I fucking hated is in this room  
And I need to get away  
And I, I can't escape, I can't escape  
And I was thinking today  
That I should think about taking  
My life  
To a higher plane  
To a higher plane  
To a higher plane  
To a higher plane  
And I need to get away  
And I, I can't escape, I can't escape  
And I was thinking today  
That I should think about taking  
My life  
My life  
To a higher plane  
To a higher plane  
To a higher plane  
To a higher plane
