

Take the Glory

Badly Drawn Boy

Summer, feels like it's over

Winter, is on the way

Summer, takes all the glory

Blue sky's, are turning to grey To live in the hearts of those that you loved is not to die

To live in the hearts of those that you loved is not to die Like when I heard silence is golden and never so

white Summer, feels like it's over

Winter, is on the way

Summer, takes all the glory

Love songs, get in the way To live in the hearts of those that you loved is not to die

To live in the hearts of those that you loved is not to die Summer, feels like it's over

Winter, get's in the way

Summer, takes all the glory

New sky's are turning to grey To live in the hearts of those that you loved is not to die

To live in the hearts of those that you loved is not to die
