Girls

Blazin' Squad

Baby You Drive Me Crazy
I Like Your Sexy Style
You Always Seem To Amaze Me
Come With Me I'll Make It Worth Your While
I Wanna Get Your Number
Give You A Call Sometime
And One Day If I'm Lucky You Will Be Mine
I Just Want To Love You
Like Nobody Else Can
Girl I Adore You
Want You In My Future Plan
I Will Not Ignore You
Baby Please Just Understand
I Wanna Make Love Not War With You
Baby!
Hey Girl!
Can't Get You Out Of My Head
I Want You By My Side That's What She Said
Come With Me!
I'll Take Care Of You My Lady
Get Down With Me
Baby Come Bounce With Me
Hey!
I Just Wanna Get To Know You
Spend Time With You All Night Long
Cant Stop Myself From Thinking About You
When Your Gone
When You Walked Into My Life
Everything Turned Right From Wrong
And Even Though We've Just Met
It Feels Like I've Know You So Long!

I Just Want To Love You
Like Nobody Else Can
Girl I Adore You
Want You In My Future Plan
I Will Not Ignore You
Baby Please Just Understand
I Wanna Make Love Not War With You

Baby!
Hey Girl!
Can't Get You Out Of My Head
I Want You By My Side That's What She Said
Come With Me!
I'll Take Care Of You My Lady
Get Down With Me
Baby Come Bounce With Me
Hey!
I Like It When You Look Good
How You Should Look
Then I Could
Look Like I Would
Come On Stand Where Ya Stood
Ayo It's Me Chillin, My Identity Hidden
But If I Can Flip Your Whole Night Into A Different Position
But She See Me
Basically Girl You're My Taste
Baby!
Lets Leave This Place
With Your Arms Around My Waist
And At The End Of The Night
There'll Be A Pleasant S
