## Hammock

So hard  
letting go  
my love now  
like birds who flew away  
so far  
So hard  
leaving home  
my love now  
to find your resting place  
somehow  
Take time  
Let go slowly  
The long night  
Oh you feel it  
Sometimes  
We get so lonely  
This time  
Oh I feel it Before  
we give up  
my love now  
let's sink into the quiet  
so deep  
Listen  
for the words  
unspoken  
let go of all the hurt  
we keep  
Take time  
Let go slowly  
The long night  
Oh you feel it  
Sometimes  
We get so lonely  
This time  
Oh I feel it  
Oh I feel it  
Oh I feel it  
Oh I feel it
