

# Touch of Grey

## Grateful Dead

Must be getting early  
Clocks are running late  
Paint-by-number morning sky  
Looks so phonyDawn is breaking everywhere  
Light a candle, curse the glare  
Draw the curtains I don't care 'cause  
It's all rightI will get by  
I will get by  
I will get by  
I will surviveI see you've got your fist out  
Say your piece and get out  
Yes, I get the gist of it  
But it's all rightSorry that you feel that way  
The only thing there is to say  
Every silver lining's got a  
Touch of greyI will get by  
I will get by  
I will get by  
I will surviveIt's a lesson to me  
The Ables and the Bakers and the C's  
The ABC's, we all must face  
And try to keep a little graceIt's a lesson to me  
The Deltas and the East and the Freeze  
The ABC's, we all think of  
Try to give a little loveI know the rent is in arrears  
The dog has not been fed in years  
It's even worse than it appears  
But it's all rightThe cow is giving kerosene  
Kid can't read at seventeen  
The words he knows are all obscene  
But it's all rightI will get by  
I will get by  
I will get by  
I will surviveThe shoe is on the hand it fits  
There's really nothing much to it  
Whistle through your teeth and spit  
'Cause it's all rightOh well, a touch of grey  
Kind of suits you anyway  
That was all I had to say

It's all rightI will get by  
I will get by  
I will get by  
I will surviveWe will get by  
We will get by  
We will get by  
We will surviveWe will get by  
We will get by  
We will get by  
We will survive
