Sleepin' Around

Dallas Smith

baby since you said goodbye,
i've been going crazy,
been going downtown to find,
someone to replace you,
and incase you've,
been wonderin',
i've been a wreck,
and girl i confess(chorus)
i've been sleepin' around
this old house
down on the floor,
out on the couch,
with the TV on,
all night long,
waking up checkin my phone,
I've been sleepin' around
two hours a night,
out in my truck,
to drunk to drive,
anywhere i put that bed where i laid you down,
yea I been sleepin' around,
since you ain't aroundall my friends know some girl who,
they want to hook me up with,
but i can't kiss no one but you,
girl you know i tried too,
but i ain't gunna lie to you(chorus)
i've been sleepin' around
this old house
down on the floor,
out on the couch,
with the TV on,
all night long,
waking up checkin my phone,
I've been sleepin' around
two hours a night,
out in my truck,
to drunk to drive,
anywhere i put that bed
where i laid you down,

i've been sleepin' around,
when i outta be runnin around,
with every pretty thing in town,
but every time the sun goes down,
all i do is miss on youi've been sleepin' around,
all over town,
call another buddy,
crash on his couch,
just to go somewhere,
hopin' you ain't there,
but you're still there,I've been sleepin' around
two hours a night,
out in my truck,
to drunk to drive,
anywhere i put that bed
where i laid you down,
yea i been sleepin' around,
girl i've been sleepin' around,
since you ain't around,
i've been sleepin' around,
sleepin' around
