

76 Ball

Urge Overkill

On a night like this I found Miss Celine
On a freeway to bliss it's a guarantee
Take a ride like this I've got what you need
Guaranteed
There's a chill in the spine now
76 ball
It's all turning 'round
I hope I'm coming down
Take a ride like this I've got what you need
On a freeway to bliss it's a guarantee
On a night like this I found Miss Celine
Guaranteed
On a freeway to bliss I've got what you need
Take a ride like this, it's a guarantee
On a night like this I found Miss Celine
Guaranteed
There's a chill in the spine now
76 ball
It's all turning 'round
I hope I'm coming down
