Lost It All (feat. Custom Phase)

Roomie

I'm letting you be
But you hate me
'Cause you know I see
Right through you
And you're on TV
Acting PC
But you know I see
Right through you
Now your career is dying
I can see your pain
Ha, I know you will cry when no one knows your name
Oh, I watch you fall
Oh, you lost it all
Oh, so self-involved
Oh, you lost it all
You lost it all
You were always
Being two-faced
But you know I see
Right through you
Lying, cheating
Always leeching
But you know I see
Right through you
Now your career is dying
I can see your pain
Ha, I know you will cry when no one knows your name
Oh, I watch you fall
Oh, you lost it all
Oh, so self-involved
Oh, you lost it all
You lost it all
