

Free To Run

Gomez

I am free to run, I walk slowly along
I'm everyone, walking slowly along
I walk slowly along And I've been walking far too long
Drag my feet like everyone
Always wanted to run away but walk slowly along I feel so tired
Want to sit here for a while,
I can see it in your smile
Come sit here, let's hold for a while I've been walking far too long
Drag my feet like everyone
Always wanted to run away but walk slowly along
I walk slowly along
I walk slowly along
