The Reeling (Need For Mirrors Remix)

Passion Pit

We dug these holes we crawled into
Now they're my home
Now here I cannot feel the wind
Can't feel the rain or coldAnd I believe in gentle harmony
How I loathe all this obscenity
Is the way my life's got to be
By a single opportunityLook at me, oh look at me
Is this the way I've always been, oh no, oh no
Now I'm dreaming somebody
Would simply come and kidnap me, oh no, oh noEveryday I lie awake and pray to God
Today's the day, oh no, oh no
Here I am, here I am
When will someone understand, oh no, oh noAnd all at once I feel this
Oh, how it clings to me
It reels and calls me towards it
Confounding destinyAnd I can feel the madness inch by inch
The more I run, the more I am convinced
?
Just like we settle in the foggy mistLook at me, oh look at me
Is this the way I've always been, oh no, oh no
Now I'm dreaming somebody
Would simply come and kidnap me, oh no, oh noEveryday I lie awake and pray to God
Today's the day, oh no, oh no
Here I am, here I am
When will someone understand, oh no, oh noLook at me, oh look at me
Is this the way I've always been, oh no, oh no
Now I'm dreaming somebody
Would simply come and kidnap me, oh no, oh noEveryday I lie awake and pray to God
Today's the day, oh no, oh no
Here I am, here I am
When will someone understand, oh no, oh no
