Danger

Ac/dc

Don't talk to strangers
Keep away from the danger
Don't talk to strangers who smile
Keep away from the danger all the time
You just keep away
Red lights are flashin'
There's been a misunderstandin'
I'm bruised, broke an' bandaged
Through drinkin' all that brandy
I was under the table
But I came back for more
Gotta hit the bottle
But my head hit the floor
CHORUS:
Danger - danger, don't talk to strangers
Stranger - danger, don't you talk

Danger - danger, don't talk to strangers
Danger - danger, don't talk keep away
Red lights still flashin'
People all still dancin' in my head
I've done with thinkin' about what to do
Another night of drinkin', just one before I'm through
I was just raisin' hell
I wasn't doin' no harm
The cops could not appreciate
My natural charm
REPEAT CHORUS
(Don't talk to strangers)
REPEAT CHORUS (twice)
Don't you go talkin' to no strangers in this town
