

# Olde Mill Inn

## Blackmore's Night

Down at the Olde Mill Inn  
We'll laugh and dance and sing  
We'll drink all day and Bill will pay  
Down at the Olde Mill InnDown at the Olde Mill Inn  
The ships are sailing in  
We'll drink a toast with Judy our host  
Down at the Olde Mill InnThe moon is full, the bar is too  
When we come to town  
We'll have a beer 'cause Jerry's here  
So spread the cheer aroundDown at the Olde Mill Inn  
The bartenders name is Kim  
And with a smile, she'll serve in style  
Down at the Olde Mill InnThe moon is full, the bar is too  
When we come to town  
We'll have a beer 'cause Jerry's here  
So spread the cheer aroundDown at the Olde Mill Inn  
We'll laugh and dance and sing  
We'll drink all day and Bill will pay  
Down at the Olde Mill InnLa, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la, la, la  
Down at the Olde Mill InnDown at the Olde Mill Inn  
We'll laugh and dance and sing  
We'll drink and play the hours away  
Down at the Olde Mill Inn
