

Blisters & Coffee (Demo)

The Classic Crime

A showdown at dusk
This old town is lost
Im flat on my back
And I cant see through the dustBut you never told me
That I was worthy
You didnt let me live
Just to hurt meDesperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it goDesperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it goWhat happens now when I walk out of town
And the enemy surrounds me bent on hunting me down?
Ill be moving silent while the enemy sleeps
Ill show no mercy like the first time when they came after meYoull never catch me
Youll never own me
Out on this lonely landscape I am freeDesperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it goDesperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it goI guess we figured it out
One by one were picking them off
I guess we figured it out
One by one were picking them offI guess we figured it out
One by one were picking them offDesperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it goDesperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it go
