Meridians

Correatown

Kiss your dreams goodbye now
The breaking of your dawn
You feel it in the fallout
You're fading, now you're gone
It's time to say goodbyes
It's time to light your fears
It's time to wake your heart
It's time to say goodbyes
It's time to light your fears
It's time to open up
Strange and out of love now
The wind is blowing hard
The brilliance is the call out
The silence in your heart
It's time to say goodbyes
It's time to light your fears
It's time to wake your heart
It's time to say goodbyes
It's time to light your fears
It's time to open up
Goodbye, goodbye
Call out
Are you listening?
Break out
Are you listening?
It's time to say goodbyes
It's time to light your fears
It's time to wake your heart
It's time to say goodbyes
It's time to light your fears
It's time to open up
Goodbye, goodbye
Goodbye, goodbye
Goodbye
It's time to say goodbyes
Goodbye
It's time to say goodbyes
Goodbye
It's time to say goodbyes

Goodbye
It's time to say goodbyes
