Palo Alto

Radiohead

In a city of the future
It is difficult to concentrate
Meet the boss, meet the wife
Everybody's happy
Everyone is made for lifeIn a city of the future
It is difficult to find a space
I'm too busy to see you
You're too busy to waitBut I'm okay, how are you?
Thanks for asking, thanks for asking
But I'm okay, how are you?
I hope you're okay tooEvery one of those days
When the sky's California blue
With a beautiful bombshell
I throw myself into my work
I'm too lazy, I've been kidding myself for so long
