

# I Will Be Your Friend

**Michael W. Smith**

So many memories and so many miles  
The road that stretches behind us  
We've had some laughter and our share of tears  
But all these moments unite us I'll be your friend for a lifetime  
Against the wind and the rain of every season  
Won't walk away in the hard times  
I will be your friend  
I'm saying, I will be your friend Sure as the river runs to the sea  
High as the mountain that reaches  
You were there by my side till the end  
And helped me on my feet again I'll be your friend for a lifetime  
Against the wind and the rain of every season  
Won't walk away in the hard times  
I will be your friend  
I'm saying, I will be your friend So in the valley walk on  
Don't have to face it alone  
'Cause in the hard times  
We keep growing strong  
As we learn, as we live  
That we live when we give I'll be your friend for a lifetime  
Against the wind and the rain of every season  
Won't walk away in the hard times  
I will be your friend  
I'm saying, I will be your friend Won't walk away  
I will be your friend, yeah
