

# All I Want

Susie Suh

Too many times I have wondered  
what all the trying is for  
you come around I feel so down  
I wanna drown  
Cuz I know that your falling short Do you know  
it doesn't change  
the way I feel about you at the end of the day Cuz I know that  
All I want is what you got  
All I want is what you got And too many times I have wanted  
to turn around and walk away Knowing deep inside  
you can't provide  
what I need from you anyway Do you know  
it doesn't change  
the way I feel about you...at the end of the day Cuz I know that  
All I want is what you got  
All I want is what you got I tell you that I want to go  
but I want to stay  
I tell you that I want to go  
but I want to stay  
I tell you that I want to go  
but I want to stay  
I want to stay I want to stay I want to stay  
But I know I'm gonna lose myself this way  
I want to stay I want to stay I want to stay  
But I know I'm gonna lose myself this way Do you know it doesn't change  
the way I feel about you at the end of the day  
Cuz I know  
That I all I want is what you got  
All I want is what you got  
But this moment is all I've got  
It's all I've got
