

# World Of Lines (Johnny Whitney Remix)

## Coheed and Cambria

This is the hidden truth,  
The world between the lines  
There is no understanding us  
These lines have marked divisions,  
The weaker seek to malign  
With this looming precious ending  
There's no more room for reprimanding  
Oh, when words are lightly thrown  
In a world that's caught in a writer's web  
Humiliation reigns  
Just leave us alone  
If it's not worth the letting go  
It's trouble, woah, woah  
Just leave us alone  
If it's not worth the letting go  
It's trouble, woah, woah  
Communications breaking up,  
The static's cutting the line  
This lying liar's had his turn  
You've managed nothing more  
Than a pathetic attempt at attack  
This heart is everlasting,  
Pushing forward, never crashing  
Just leave us alone  
If it's not worth the letting go  
It's trouble, woah, woah  
Just leave us alone  
If it's not worth the letting go  
It's trouble, woah, woah  
State your case and go hide  
Leave us to your worst,  
I will never give in  
To the hurt of your lies  
Cause' there is no hope  
For all your jokes  
And your plaguing insecurity  
And now I play your enemy,  
The only word you could find for me  
Just leave us alone  
If it's not worth the letting go  
It's trouble, woah, woah  
Just leave us alone  
If it's not worth the letting go  
It's trouble, woah, woah  
Just leave us alone  
If it's not worth the letting go  
It's trouble, woah, woah  
Just leave us alone  
If it's not worth the letting go

It's trouble, woah, woah
