Jealous

The Very Merry Macs

I dont know.
why I don't trust.
I go crazy when you hang with her.
I need a straight jacket for my mouth.
Can't let J-E-A-L-O-U-S feelings keep coming out.
Might as well wrap him up in a bow
All im doing is making him wanna go
I need you to help me through my doubts
Cause J-E-A-L-O-U-S feelings don't bring us down and
(CHORUS)
I don't wanna be Na-Naggin
dont wanna be Drag-Dragging you down
dont wanna be Puh-Pushin
Look what I'm doin now
So I'm that girl
I'm that jealous girl
J-E-A-L-O-U-S boy I don't know how you got me actin' like this
How do I stop all these thoughts yeah
That maybe our love aint strong enough yeah
I need to get a grip on myself
Before I push you right into the arms of someone, someone else
So I'm wrappin him up in a bow
All I do is make him wanna go
Oh Ohhhh
I need you to help me through my doubts
Cuz my J-E-A-L-O-U-S feelings don't bring us down
I don't wanna be Nag-Naggin
don't wanna be Dragg-Dragging you down
don't wanna be Puh-Pushin

I don't wanna be nag-naggin
Don't wanna wanna be drag-draggin you down
