You Can Always Go Back

Mel Verez

Oh yeah, oh yeah ey

You gotta try
Before you can fly
She said oh, you gotta know itâ€™s a hard way to go
She said â€œmoveâ€• cause you know how to move , you know how to groove , just do it
And she was oh so right, she knew it from the very first time

You can always go back to what youâ€™re used to
Give it a try, try it out
Oh yeah

Oh yeah, oh yeah ey

She said â€œ you are shyâ€•
And all that I want you to is to break free
Oh why, why, why
Donâ€™t you believe me when I tell you there is so much more inside of (you)

You can always go back to what youâ€™re used to
Give it a try,
Try it out
Oh ooh!
You gotta try so hard, you gotta try so hard (Give the best you can)
Try so hard (Donâ€™t you dare to give up, dare)
Try so hard (Yeah â€“ woohoo)
Give the best , give the best you can, donâ€™t you dare to give up â€¦ dare
