Gathering Moss

Super Furry Animals

Lost capacity
For infinityYou and me are idly
Gathering mossFields of industry
Death by miseryYou and I are idly
You and me are idly
Gathering mossFalse security
Faked insanity
You and I united by
Itemized billsKills my sympathy
Builds my agonyYou and me are idly
You and I are idly
Gathering mossBut when you see me
I'll be idly sweeping
The dust away
Dust awayLook here comes the shore again
And we'll aim there to be merryYou and I are idly
You and I are idlyYou and me
Gathering moss
You and me
Gathering mossYou and me are idly
