Leaving With Me

J Boog

She said she nah wait fe no boyfriend
Fe pay her rent, her lifestyle set
She hustle everyday inna de club on sweat
When she take a double, pay her cash, she collect
Her perfume, fragrance so sweet like honey
Break it down like a dancehall queen, yeah
Her swagger and style make me weak
Like she came out of a swimsuit magazine
Said she wanna sit by me
Told her, â€œItâ€™s a free country,â€• yeah
Whisper to her tenderly, telling her, baby

Girl, if I said â€¦
You had a beautiful body
Would you hold it against me?
Tell me Iâ€™m crazy and walk away
Or would you feel different about me?
Say Iâ€™m amazing, fire was blazing
When youâ€™re leaving with me
When youâ€™re leaving with me

Sex her real good,
Every time she see me she say â€œI inna de moodâ€•
Donâ€™t want to chatty chatty girl, straight to the job
Dash away the girls callinâ€™ me iPhone
Sit down, switch it into airplane mode
Why I like, she full up on money
Why I like, she donâ€™t want nobody, yeah
Told her sheâ€™s the one for me
Pick her up anytime you ready, yeah
She said she a go stick by me
Just like we were meant to be, yeah
Whisper to her tenderly, telling her, baby

Girl, if I said â€¦
You had a beautiful body
Would you hold it against me?
Tell me Iâ€™m crazy and walk away
Or would you feel different about me?

Say Iâ€™m amazing, fire was blazing
When youâ€™re leaving with me
When youâ€™re leaving with me

Sexy and nice
The way she move her body make me want fe work
Hard and need it more than twice (ye-yeah)
And when she do the walk on by and see the
Jealously deep in a dem eyes (ye-yeah)
We making love like skyrockets in the night
Afternoon delight
Likkle more inna the evening, have yourself screaming, yeah
Sheâ€™s the only one I need
Want to love her constantly, yeah
â€˜Member first time when we meet
When I whispered, baby

Girl, if I said â€¦
You had a beautiful body
Would you hold it against me?
Tell me Iâ€™m crazy and walk away
Or would you feel different about me?
Say Iâ€™m amazing, fire was blazing
When youâ€™re leaving with me
When youâ€™re leaving with me
