

Listen to Your Heart

Alicia Keys

He says
Have no fear
Open up
Let me inHe says
Take a chance
Here's your song
Time to danceWhat you're gonna do when it comes for you
Listen to my heartOh, you gotta listen to your heart
Listen to your heart
Oh, why don't you listen to your heartHe says
Here's your sky
Don't look down
We can flyYou said
You're a little bit scared
Just hold on
We're almost thereWhat you're gonna do when it comes for you
Listen to my heartOh, you gotta listen to your heart
Listen to your heart
Oh, why don't you listen to your heartYou never know until you try
Why so scared when hearts don't lie
Turn off the world and close your eyes
Lose yourself and listen to your heartOh, why don't you listen to your heart
Listen to your heart
Oh, why don't you listen to your heartHey
You know what to do when it comes for you
HeyYou gotta listen baby
Aha, you gotta listen to it
I'll get you hear it
You gotta listen baby
Mmm
