

Let the River Flow

Donnie McClurkin

Lead (starts first) Let the river flow
Let the river flow
Let the river flow
And refresh my soul Everyone Let the river flow
Let the river flow
Let the river Flow
And refresh my soul Flow living water. Flow living water
The water of life
Flow living water. Flow living water
Flowing over me Let the river flow
Let the river flow
Let the river flow
And refresh my soul
