Surrender

Joy Williams

There are places in my heart
And corners of my mind
That Ive hidden from Your light
Like buried treasure deep inside of me
I dont want You to see, I keep it to myselfBut You give Your love to me
You open up Your heart unselfishly
Lord, in Your embrace now I can say
I surrenderEverything I held so precious
Everything I kept away
I give it up, give it up
All for You, I give it all for You
Everything I held as treasure
I give it all for You, I give it all for YouIn Your light, I feel a new power coming over me
Calling me to Your surrender, I gotta find the answer
What is this Your love has opened up inside?
Suddenly I cannot hideYou give Your love to me
You open up Your heart unselfishly
Lord, in Your embrace now I can say
I surrenderEverything I held so precious
Everything I kept away
I give it up, give it up
All for You, I give it all for You
Everything I held as treasure
I give it all for You, I give it all for YouCause Your love is everything to me
And in Your light I finally see
Oh, I cant hold it back
Everything Ive hidden deep inside
Now I surrenderSurrender, Lord, I surrender
I give it all to YouYou give Your love to me
You open up Your heart unselfishly
How can I not do the same for You?
I surrenderEverything I held so precious
Everything I kept away
I give it up, give it up
All for You, I give it all for You
Everything I held as treasure
I give it all for You, I give it all for You
