

# Surrender

Joy Williams

There are places in my heart  
And corners of my mind  
That Ive hidden from Your light  
Like buried treasure deep inside of me  
I dont want You to see, I keep it to myself But You give Your love to me  
You open up Your heart unselfishly  
Lord, in Your embrace now I can say  
I surrender Everything I held so precious  
Everything I kept away  
I give it up, give it up  
All for You, I give it all for You  
Everything I held as treasure  
I give it all for You, I give it all for You In Your light, I feel a new power coming over me  
Calling me to Your surrender, I gotta find the answer  
What is this Your love has opened up inside?  
Suddenly I cannot hide You give Your love to me  
You open up Your heart unselfishly  
Lord, in Your embrace now I can say  
I surrender Everything I held so precious  
Everything I kept away  
I give it up, give it up  
All for You, I give it all for You  
Everything I held as treasure  
I give it all for You, I give it all for You Cause Your love is everything to me  
And in Your light I finally see  
Oh, I cant hold it back  
Everything Ive hidden deep inside  
Now I surrender Surrender, Lord, I surrender  
I give it all to You You give Your love to me  
You open up Your heart unselfishly  
How can I not do the same for You?  
I surrender Everything I held so precious  
Everything I kept away  
I give it up, give it up  
All for You, I give it all for You  
Everything I held as treasure  
I give it all for You, I give it all for You
