Slowly

Nick Hakim

I had a dream you were in your birthday suit
You stared at me from across the room
You walked over slowly, with a look on your face
It wiped out all of my fear and my troubles awayOh, what I would give to feel that feeling one more time
Oh, it's something I can't explainI had a dream that you were in your birthday suit
You stared at me from across the room
You walked over slowly, with a look on your face
It wiped out all of my fear and my troubles awayOh, what I would give to feel that feeling one more time
Oh, it's something I can't help but explain
