Man Down

50 Cent

It hurts
Yeah, yeah, yeah, yeah, yeah
D's tryin? to plant a murder on me
In the precinct they sayin? I done murdered homey
I told my lawyer I ain't heard of homey
And e'rybody know my niggaz buried him for me
You see I'm on your crib, it ain't a burglary, homey
They finna have me stuck in purgatory
I'm down to do the stickin? when it come to the orgy
Conventional methods of sex totally bore me
Wait, I'm gettin? sidetracked, back to the story
These cocksuckin? got it in fof me
They wanna me up
Me find my burner and me up
But history repeats itself, they never learn
The Unit's the new people who gon'
We'll find out when niggaz let off the rounds
And this screamin? down
Get in the way, I'll murder dem
I'll murder dem
A nigga already got three strikes, I'll murder dem
I said I'll murder dem
Any motherfucker touch me, I'll murder dem
I'll murder dem
You don't believe me, wait and see, I'll murder dem
You see I told you I'd murder dem
They sayin? I'm a accident waitin? to happen
I got one in the head, I'm just waitin? to clap it
A pimp told me I was made for this mack shit
So just get you a white girl, don't fuck with no black bitch
I got two felonies from sellin? that crack shit
And the third one came from showin? niggaz my mag spit
See I'm down for that daytime action
Have niggaz crawlin? under cars when I start to cappin?
So they don't know what to say to the
But they know if word get back, somethin? gon' happen
I've been shot, I've been stabbed but I ain't been snitched on
You snitchin? where I'm from, you gon' get your shit blown
Southside, I make the best of the worst

We gotta share the same bitch, okay, I go first
?Cause your baby's momma is my baby's momma
I come through to see my little nigga with the llama
Get in the way, I'll murder dem
I'll murder dem
A nigga already got three strikes, I'll murder dem
I said I'll murder dem
Any motherfucker touch me, I'll murder dem
I'll murder dem
You don't believe me, wait and see, I'll murder dem
You see I told you I'd murder dem
