Your smile

Your beauty
Your kindness
Your humor
Your love
Keeps me on the ground
Your dancin'
Your praisin'
Your intellectual side
Your tough and soft
Your smile
Keeps me on the ground
Your smile
Keeps me on the ground
Your smile

Keeps me on the ground
Your eyes

Your teeth
Your sight
Your ears that you use so well now
Keeps me on the ground

Your hands
Your feet
Help you walk across the street
Your communication

Cooperation
Keeps me on the ground
Your smile
Keeps me on the ground
