

Riot Van (lo-fi)

Arctic Monkeys

So up rolls a riot van
And sparks excitement in the boys
But the policemen look annoyed
Perhaps these are ones they should avoid
Got chased last night
From men with truncheons dressed in hats
We didn't do that much wrong
Still ran away though for the laugh
Just for the laugh
And please just stop talking cause they won't find us if you do
Oh those silly boys in blue
Well they won't catch me and you
Have you been drinking son, you don't look old enough to me
I'm sorry officer, is there a certain age you're supposed to be, cause nobody told me
And up rolls the riot van
And these lads just wind the coppers up
They ask why they don't catch proper crooks
They get their address and their names took
But they couldn't care less
