

# Stuff

## Dyke & The Blazers

I said Stuff  
Ain't nowhere - dah da dah da da da dah  
I said Stuff y'all  
Ain't nowhere - dah da dah da da da dah - listen

Red means stop  
Yellow means slower  
Green means speed  
You can go go go

I said stuff stuff stuff  
Ain't nowhere where where  
I said stuff stuff stuff  
Ain't nowhere where where - listen

Cause if I go go  
Lord I'm not as old now

I said stuff stuff stuff  
Ain't nowhere where where  
I said stuff stuff stuff  
Ain't nowhere where

Red means stop  
Yellow means slower  
Green means speed  
You can go go go

No no no no

Talkin' to my brother  
Stay away  
from that stuff - ha ha - listen  
Talkin' to my sister  
Stay away  
From that stuff.

Gabriel away - yes it did now  
Takin' Betty, Lizzy

Lizzy away - yes it did now

I said stuff well well  
Takin' Jimi, Janis huh  
Janis away - yes it did now

Tyrone, boss  
Tyrone away - yes it did now  
I said stuff ain't nowhere  
I said stuff ain't nowhere  
I said stuff ain't nowhere  
I said stuff...
