

Insecurities

Offbeats

Held back by walls of security, that
I just could never see, held people at arms length
 devoid of human contact
 Cannot express emotion
 I try with all my strength
 What is the matter with me?
 It seems that no one even cares
 I'm blinded by my innocence
 will no one be there for me?
 When I dont understand.
 Covered in blankets of Imagination
 Where I can talk to people without a
 second thought
 What if they're laughing at me
 I know I'm not good enough
 so I won't even try.....
 God only knows what'll keep us from dying
 because eveytime I look around I see Life as a big lie
 Yeah everybody's saying "yeah I'm the one" yeah
 "everybody came running to me"
 But thats not how it works and it never did
 you know I'm sorry it had to be this way
 things got fucked up but thats okay....
 ...I'm sorry....
 ...I'm sorry....
