

# Prison Bound

## Social Distortion

Well, I'm goin' to a place where the tough guys go  
And come out even tougher  
A place where a man don't show his feelings  
A place where a man don't cry Well, they say I'm being punished  
And they say I can be reformed  
But some day I'll return, did they really think  
That this time it would work, you knew all along it wouldn't Oh, I'm prison bound  
I did a crime one too many times  
It's on the outskirts of town, by the railroad tracks  
Where the country moon shines Oh, I'm prison bound  
Tell my girl I'll be back one day  
Oh, I'm prison bound  
I may never know any other way Well, they take away my freedom of expression or action  
Johnny says, "I'll walk the line"  
With three hots and a cot and a lot of talk  
With lock-up, concrete, and steel Well, it's cold and it's clammy  
Man, it's colder than a pimp's heart  
But I've gotta do my time, there's a lesson to be learned here  
But what a price to pay, you know, I may never learn Oh, I'm prison bound  
I did a crime one too many times  
It's on the outskirts of town, by the railroad tracks  
Where the country moon shines Oh, I'm prison bound  
Tell my girl I'll be back one day  
Oh, I'm prison bound  
I may never know any other way
