M.a.s.t.e.r. Pt. 2

Play

(sing chorus twice)
he's the m.a.s.t.e.r of disguise, Watch him change in front of your eyes, the master, the master of disguise
he don't play and changes faces everyday
the one that always saves the day, and no one can do what he can do
makes his move, never ,ment to be a fool
whenever and doubt, just calls up and shouts
(sing chorus twice)
Now who's dat ,who's back, its the master of disguise n like this and like that
lemme tell you a little story 'bout the guy behind the mask
who use to get clowned so he had to change fast
learned tai bo and threw a couple of jabs
but ya know that can change in a blink of an eye
turn from a turtle to a nerdy guy, now tell me one superhero that's this fly
he's the m.a.s.t.e.r of disguise, watch him change in front of your eyes
dont compare him to them other guys, 'cause going against him dog wouldnt be wise
he's a crime fighter, keeping the streets tighter
move so quick you can call him night rider

true to the game and not for the fame
come on everybody let's scream his name
(sing chorus twice)
It's tha master of disguise and he aint gon' stop
straight up until these vilains put away and locked
so ladies and gentlemen do not fear
whenever there's a crime, MOD is near
the new superhero bringin these crush pain (don't know)
making the clocks slam and got him goin' insane (don't know)
true to the game and not for the fizzame
come on everybody lets scream his name
(repeat chorus 3x)
(the M.A.S.T.E.R. of disguise watch him change infront of your eyes)
(oh he's the mastererere oh oh ohh yeah . . . uh, alright, oh come on he's the master...)
