

# The Shine Is Brighter At Night

## Little May

Rest my eyes, I don't wanna see you  
Rest my brain, I don't wanna know  
Rest my eyes, I don't wanna see you  
Rest my brain, I don't wanna know You've been given your rights  
And you keep me high  
And you almost tried to break away  
I couldn't keep burning  
Couldn't keep burning bright And the shine is brighter at night (x2) Rest my eyes, I don't wanna see you  
Rest my brain, I don't wanna know  
Rest my eyes, I don't wanna see you  
Rest my brain, I don't wanna know You've been given your rights  
And you keep me high  
And you almost tried to break away  
From the back of my mind tonight  
I couldn't keep burning  
And I couldn't keep burning bright And the shine is brighter at night (x2) Rest my eyes, I don't wanna see you  
Rest my brain, I don't wanna know  
Rest my eyes, I don't wanna see you  
Rest my brain, I don't wanna know And the shine is brighter at night (x4)
