See Your Scars

Greeley Estates

each time i hurt you
i see your scars
i'm reminded of all
you've donenow i'm in the same place
right where i started
caught in the things that
will only destroy meso now i'm here again
calling for you
why do i always fail you
so now i'm here again
calling for youwhy do you love meand now i see that
i'm the one
who put the
nails in younow i'm in the same place
right where i started
caught in the things that
will only destroy meso now i'm here again
calling for you
why do i always fail you
so now i'm here again
calling for youwhy do you love mesomething about you
the more i let you inso now i'm here again
calling for you
why do i always fail you
so now i'm here again
calling for youwhy do you love mewhen i saw what i was doing
i'm the one who put you there
