

# Broke In Two

[DJ Cruiz](#)

You said something before you left  
Something I was not to forget Then is when I maybe should have wrote it down  
But when I looked around to find a pen  
And then I tried to think of what you said We broke in two, busted through, broke in two I would go back to the  
top of the day from scratch  
If I thought that this thing could be fixed  
Though sadly I'd do exactly the same thing as when We broke in two, busted through, broke in two You said,  
"I'm gonna run you down"  
I heard, "I'm an orangutan" Then is when I maybe should have wrote it down  
But when I looked around to find a pen  
And then I tried to think of what you said We broke in two, busted through, broke in two I would go back to the  
top of the day from scratch  
If I thought that this thing could be fixed  
Though sadly I'd do exactly the same thing as when We broke in two, busted through, broke in two  
I'm an orangutan We broke in two, busted through, I'm an orangutan  
We broke in two, busted through, I'm an orangutan
