Conflict

Ikue Mori

Conflict is inevitable like control and fear
Conflict is integral say goodbye my dear
Conflict is inevitable like control and death
Conflict is integral this is the end I said

Conflict is inevitable see it in your mind
Conflict is what makes us here it's so easy to find
Conflict is inevitable attack inside your head
Conflict is a part of us with us until we're dead
Rob from always on the run dot net is so bad and copy paste is a sin
Conflict is inevitable the crash and it all comes down
Conflict is in everything in us and all round
Conflict is inevitable a force inside your heart
Conflict is integral let's prepare to part
