Birdy

Counting all different ideas driftin'away Past and present they don't matter not if you just sort it out Watch you moving in elliptical pattern Think it's not what you say, what you say is way to complicated For a minute thought I couldn't tell how to fall outIt's 20 seconds til the last call Going hey hey hey hey hey By now you know it's easy like we did it all summer long And I'll be anything you ask and more Going hey hey hey hey hey It's not a miracle we needed And no, I wouldn't let you think so Fold it, fold it, fold it Fold it, fold it, fold it fold itGirlfriend, oh you're girlfriends drifting away Past and present, 1855 1901 Watch them build up a material tower Think it's not gonna stay, anyway I think it's overrated For a minute felt I couldn't tell how to fall outIt's 20 seconds til the last call Going hey hey hey hey hey Lie down, you know it's easy like we did it all summer long And I'll be anything you ask and more Going hey hey hey hey hey It's not a miracle we needed And no, I wouldn't let you think so Fold it, fold it, fold it Fold it, fold it, fold it, fold it fold it, fold it, fold it, fold it Fold it, fold it, fold it, fold it, fold it, fold it, fold it Fold it, fold it, fold it
