If You Want Me (Live)

The Swell Season

Are you really here or am I dreaming
I can't tell dreams from truth
For it's been so long since I have seen you
I can hardly remember your face anymore
When I get really lonely and the distance causes only silence
I think of you smiling with pride in your eyes a lover that sighs

If you want me satisfy me
If you want me satisfy me

Are you really sure that you believe me
When others say I lie
I wonder if you could ever despise me
When you know I really tried
To be a better one to satisfy you for you're everything to me
And I'll do what you ask me
If you let me be free

If you want me satisfy me
If you want me satisfy me

If you want me satisfy me
If you want me satisfy me
