

Ockham's Razor

Junker Jorg

Ockham's Razor!

Treat 'em mean and keep 'em keen oh that's sickening
All the love you've ever seen and you wash it down with gasoline
 Hide behind the mask you wear when you're lecherous
 Do you understand the dreams when lay upon the mattress

I can call a friend's answer machine and make a cup of coffee
and I can have a cigarette on the balcony and kill myself but...

 Is this life?
 I really doubt it
 Is this life?
 Think about it
 Is this life?
 I really doubt it
 Is this life?
 Think about it
