

Mc5

Stone Temple Pilots

No you don't get it
No you don't want it
No you don't get it, noNo you don't get it
No you don't want it
No you don't get it, noShe don't like the way she smiles
He don't like the way she smilesSon of a bitch
I know what the itch is like
You won't get enough
Try to get rid of it
But you won't, you can't
You won't get enoughShe don't like the way she smiles
(Don't want you)
(Don't need you)
She don't like the way she smiles
(Can't have you)
(I want)No you don't get it
You never get it
No you don't get it
I want to see through youNo you don't get it
You never get it
No you don't get it
I want to see through youNo you don't get it
No you don't want it
No you don't get it, no
Try to get rid of it but you want
You can't even get enoughShe don't like the way she smiles
(Don't want you)
(Don't need you)
He don't like the way she smiles
(Can't have you)
(I want)No you don't get itShe don't like the way she smiles
She don't like the way she smilesNo you don't get it
You never get it
No you don't get it
I want to see through youNo you don't get it
You never get it
No you don't get it
I want to see through you
