

I Had the Craziest Dream

Frank Sinatra

I had the craziest dream last night
Yes I did, I never dreamed it could be
Yet there you were in love with me I found your lips
(Saw)
Next to mine
(Close)
So I kissed you
(Them) And you didn't mind it at all
When I'm awake, such a break never happens
How long can a guy go on dreaming If there's a chance that you care
Then please say that you do
Say it and make my craziest dream come true
